IT Services and Campus Policy (Sample)

1. Wi-Fi and internet

Campus Wi-Fi is available in hostels, the library and academic blocks from 6:00 AM to 12:00 midnight. Each student may connect up to two devices. Wi-Fi outages should be reported through CampusFix; the IT team aims to restore service within 4 working hours.

2. Portal accounts

Students log in to the student portal with their register number. Forgotten passwords can be reset at the IT help desk in the library between 9:00 AM and 5:00 PM with a college ID card.

3. Acceptable use

Downloading pirated content, running servers, or sharing accounts is not allowed. Violations lead to the Wi-Fi account being blocked for 30 days.

IT Services and Campus Policy (Sample)

4. College buses

College buses leave the bus bay at 4:45 PM and 5:45 PM. Students must show their bus pass to the driver. Bus route changes are announced one week in advance. Rash driving or a breakdown should be reported through CampusFix or to the transport office immediately.

5. Attendance

Students need at least 75 percent attendance in every course to write the semester exam. Medical leave certificates must be submitted within three days of returning to class.

6. Lost and found

Lost items are kept at the security office at the main gate for 30 days. Theft must be reported to security and through CampusFix the same day so CCTV footage can be checked.
